

LED TRI-PROOF LIGHT 1200MM - 36W - 4000°K - IP65

REF : 75810

Cable gland

Optical Parameters

Luminous Efficiency : >90%

Color Rendering Index (CRI) : >80

Lumens/Watt : ≈ 110 Lm/W

Electrical Parameters

Energy class : **A⁺**

Cos ϕ / Power Factor : 0.97

Input voltage : 220-240V AC

Frequency : 50~65 Hz

Lumens maintenance : >95%

Temperature and work humidity : +30°C - +45°C / 10% - 70%

Ignition : Instant

Beam Angle : 200°

Material : Inox + Aluminum + PC

Lifetime : 30,000 Hours

ON/OFF : > 100,000

Protection IP : IP65

Protection IK : IK09

Net weight : ≈ 1.90 Kg

Ref. 75810

Product : LED Tri-proof light

Exterior finish : White / Frost

Rated Consumption : 36W

Output power : ≈ 320 W

Dimmable : No

Color temperature : 4000°K

Lumens : 3940

UV : No UV emission

Infra-red : No infra-red emission

En 62 471 : Group 0

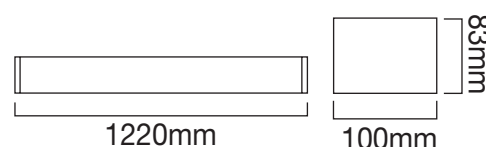

Size (L x W x H) : 1220 x 100 x 83 mm

Entraxe : 870 mm

Packaging : Box

Packing : 4 pcs

EAN : 3701124408198

Screws
